Quality Act (CEQA) in accordance with CEQA Guidelines Section 15378(b)(5), in that adopting a Resolution amending the Contract with CSG Consultants, Inc., does not meet CEQA's definition of a "project," because the action does not have the potential for resulting in either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment, and because the action constitutes organizational or administrative activities of governments that will not result in direct or indirect physical changes in the environment and if a "project," is exempt under the "common sense" exception (14 Cal. Code Regs. § 15061(b)(3)) because it can be seen with certainty that there is no possibility that this action may have a significant effect on the environment.
