**WHEREAS**, on November 3, 2022, the Personnel Commission of the City of Watsonville reviewed and recommended to the City Council the established job description of Water Services Technician I; and

**WHEREAS**, the City Manager has submitted his report and recommendation to the City Council to reaffirm the established job description of Water Services Technician I, a copy of which is attached hereto and incorporated herein by this reference.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WATSONVILLE, CALIFORNIA, AS FOLLOWS:**

1. This action is exempt from the requirements of the California Environmental Quality Act (CEQA) in accordance with CEQA Guidelines Section 15378(b)(5), in that adopting a Resolution reaffirming established job description and reallocation of salary of Water Services Technician I does not meet CEQA's definition of a "project," because the action does not have the potential for resulting in either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment and if a "project," is exempt under the "common sense" exception (14 Cal. Code Regs. § 15061(b)(3)) because it can be seen with certainty that there is no possibility that this action may have a significant effect on the environment.

2. That the established job description of Water Services Technician I is hereby reaffirmed.

3. That the reallocation of the job description of Water Service Technician I Salary Range from \$23.94 – \$32.08 per hour to \$28.35 – \$37.99 per hour is hereby approved.
