Trustee Muñoz gave a brief presentation on the program SEEDS. Santa Cruz SEEDS

program is designed to help low-income families understand the importance of higher education by setting goals, learning healthy habits and saving money. The program will open a special savings account for the newborns to help pay for their education. Trustee Muñoz thought this was a great opportunity for the library to collaborate with the program coordinator Maria Cardenas and Community Ventures. The Interim Library Director will pass along the information to the Public Services Principal Librarian.

Trustee Bañales communicated that Cabrillo College is considering changing its name. She will send a flyer that includes detailed information of five zoom events. Trustee Brown asked if the Zoom recording could be made available to the trustees. Trustee Bañales will ask and notify the Interim Library Director.

3.b ORAL COMMUNICATIONS FROM THE LIBRARY DIRECTOR

a) Reopening of Library Update

The library opened to the public on Wednesday, March 17th to provide limited in-person services. There was a great article written about the opening in the Watsonville Patch. All staff are following safe practices to ensure their and our patrons' safety. The Interim Library Director will be revising the dates listed in the WPL Phased Reopening Plan and such revisions will be posted on the library's website. The state of the library budget will determine the hours and days for operation for both the Main and Freedom Libraries.

b) Strategic Work Plan Update

The City is in the process of updating their two-year Strategic Plan. The Interim Library Director will be attending a workshop April 10, 2021 where she will include the library's Strategic Work Plan goals and objectives. She will give an update of these goals and objectives at the next board meeting. The following are updates to the Library's current Strategic Work Plan:

Goal 1: Improve the lives of Watsonville's children and families

- Teen Self-Care kits for teens that include activities, information to local resources and a craft to help support teens during this pandemic crisis. This month's theme was about how to deal with stress and a guide to create a stress ball.
- Fun on the Run kits for Adults: A fun way to engage adults to create crafts. This month's kit included coloring pencils to use on pre-made coloring sheets and coloring tips.
- The Opportunity to Read Literacy Program had their first virtual Family Literacy Services program on February 24th. Each event provides the participating families with two books for the development of a home library for children and the materials needed for a family craft that is related to the theme of the event.

Goal 2: Facilitate lifelong learning for all residents

- The BiblioVan is gearing up for community outreach this summer with a variety pop-up events in partnership with the Parks & Recreation department.
- The Summer Reading Program Theme this year is *Reading Colors your World*. The librarians are developing creative events and weekly crafts centered around a specific color theme.

- Two of our librarians assisted with the PVUSD Family Parent Night; one session was in English and the other in Spanish More than 100 participants attended this informational session that detailed the library's free resources, programming and services.

c) Library Statistics

The Interim Library Director briefly reviewed the statistics.

- Due to COVID-19 our circulation is 30% lower than last year.
- Programming statistics are also low, as we are not having in-person events.
- Gathering new statistics: Website visits, WIFI and Hotspots use.

5. UNFINISHED BUSINESS

5.a POET LAUREATE

a) Poet Laureate Discussion

Appointments of Poet Laureates at other cities coincide with National Poetry Month in April; unfortunately we will not be able to meet this deadline. Fortunately, our Poet Laureate guideline is still a work in progress and is amended to meet our current needs. The following change was made; the call for nominations will be in May with an honorarium of \$2000 for two years. The committee will consist of the Chair, currently Trustee Bañales, a library staff member and three members at large. The Interim Library Director will share the guideline and application with the Trustees. Please feel free to make edits and comments as needed. The final documents will be presented at the April meeting for approval.

6. NEW BUSINESS

6.a BOARD OF LIBRARY TRUSTEES BYLAWS

This item was tabled for the next board meeting until the City Clerk, Beatriz Flores has the opportunity to review.

7. REPORTS

7.a FRIENDS OF THE LIBRARY

The Library has expended \$11,000 of the \$20,000 programming budget. The librarians are currently working on their budget requests for the FY 21-22. The Friends' have done a remarkable job supporting our needs. Trustee Brown asked if it would be possible to purchase additional hotspots since they are a hot commodity with the remaining funds. The Interim Library Director explained that the 25 hotspots were free through a government-lending program with T-Mobile; however the cost for internet services is \$770 a month and is paid by the Friends. Any future costs would have to be absorbed into the library operational budget or she would need to make a formal request to the Friends for funding. She also explained that the remaining funds are designated for

programs in the upcoming months and any additional funds will be rolled over to the following year.

7.b PROGRAMS

Trustee Muñoz highly recommends the library to purchase *2020 Hindsight: Looking Back on a Tumultuous Year in Santa Cruz County*. It takes a look back at the tumultuous year of 2020 with nearly 100 full-color pages that explore, through photography and words, Santa Cruz County's experience with the COVID-19 pandemic, social justice, wildfires, democracy, and community. The book can be purchased at the Bookshop Santa Cruz and all proceeds are donated to the Santa Cruz Community Foundation's Fire Relief Fund. The Interim Library Director took the opportunity to demonstrate how to suggest materials for purchase via the library website.
