Subject: TOPICS THAT NEED ATTENTION FROM ALL OF YOU

1. clearly, since the dorms on the co nity college campus will not be completed until 2027, we need more low cost housing for our unhoused Watsonville Cabrillo students. i might suggest an RV encampment near downtown.
- 2, now that EARTHJUSTICE has sued Monterey county AG commissioner and the CA dept. of pesticide regulation, why not a sign at the edges of town: WATSONVILLE: HOME TO ORGANIC FARMING. so proud i am a member of SAFEAG/SAFESCHOOLS, one of the litigants. this should be in court for some time.
3. still too many potholes. they need filling.
4. we do not need any more fast food places. period. and Applebees needs to close. it is disgusting. call the health dept.
5. the field behind my home is ELBAR ranch. 75 acres of growing raspberries. and NO SPRAYNG THIS YEAR. how about that?

Steve Trujillo, Cabrillo community college trustee, district 7
