# PINK PATCH PROJECT

2024

**The Watsonville Police Department Pink Patch Project campaign raises funds to support local families facing financial challenges in accessing breast cancer treatment and/or services while also promoting awareness of breast cancer. Since its inception in 2017, this initiative has generated over \$124,000 for the Katz Cancer Resource Center.**

# Pink Patch Project Committee

The 2024 Pink Patch Project committee consisted of 12 members, including both professional staff and sworn officers who volunteered their time at pop up events, engaging with our sponsors, and also played a key role in the design process.
