Statement of Qualifications

As a passionate advocate for community development and inclusivity, I am honored to submit my candidacy for reappointment to the Parks and Recreation Commission. In my prior term, I demonstrated a results driven approach to advancing initiatives that enhanced recreational opportunities, fostered community engagement, and prioritized equitable access to public spaces in Watsonville.

During my tenure as Chair of the Parks and Recreation Commission, I spearheaded efforts to promote programs that enriched the quality of life for residents, while actively collaborating with city leaders to address challenges with innovative and actionable solutions. My leadership style emphasizes strategic vision, stakeholder collaboration, and a commitment to fostering spaces where all members of our community feel valued and included.

Professionally, my experience as a Technical Recruiter and leader in various roles has honed my ability to build strong partnerships, lead cross functional teams, and identify opportunities to achieve meaningful outcomes. These skills have directly translated into my work on the commission, enabling me to effectively advocate for community needs, drive impactful projects, and ensure that Watsonville's parks and recreational programs remain at the heart of our city's identity.

If reappointed, I am committed to continuing to lead with integrity and a forward thinking mindset, ensuring that the commission remains a catalyst for positive change. My vision includes further enhancing community involvement, championing sustainable initiatives, and prioritizing long term solutions that benefit future generations. Together, we can continue building a legacy of connection, health, and vibrancy for all Watsonville residents.
