1. On August 16, 2023, an Administrative Use Permit and Design Review Permit with Environmental Review (PP2022-4245) was approved for the Ramsay Park Renaissance Project by the City of Watsonville’s Zoning Administrator with no substantial evidence that the project will have a significant effect on the environment in accordance with Public Resources Code section 21080(c).

Additionally, no addendum is required pursuant to CEQA Guidelines section 15164 because no technical

changes or additions are proposed through this First Amendment to Contract, and this First Amendment to Contract does not authorize any actions that will create any environmental impact that have not already been analyzed.
