RE: Letter of Support for the Lee Road Trail Project

Dear Mayor Orozco,

On behalf of Santa Cruz County Parks, I am submitting this letter in support of the proposed Lee Road Trail Project. This trail will provide a safe path for pedestrians and bike travelers from Harkins Slough Road to the Land Trust's Watsonville Slough Farm and Community Harvest.

This Lee Road Trail project aligns with the fundamental goal of Santa Cruz County Parks by expanding recreational access, promoting conservation, and strengthening communities. Therefore, we are happy to support the City of Watsonville Public Works & Utilities Department with the Lee Road Trail project. Please do not hesitate to contact us if you require any further information or clarification.

Thank you for your consideration.

Sincerely,
