31.0 FAMILY CARE AND MEDICAL LEAVE POLICY

31.1 In accordance with the Federal Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA), the City of Watsonville (City) will

provide unpaid family and medical care leave for eligible employees for up to 12 weeks per 12-month period for the following reasons only:

- a. The birth of a child or to care for a newborn of an employee;
- b. The placement of a child with an employee in connection with the adoption or foster care of a child;
- c. Leave to care for a child, parent or spouse who has a serious health condition; or
- d. Leave because of a serious health condition that makes the employee unable to perform the functions of his/her position.
- e. A qualifying exigency arising out of the fact that an employee's spouse, domestic partner, child or parent is on active military duty or has been notified of an impending order to active duty ("Qualifying Exigency Leave").

An eligible employee is entitled to up to twenty-six (26) workweeks of military caregiver leave during a single twelve (12) month period. The twelve (12) month period begins on the first day the employee takes leave and ends twelve (12) months after that date. Unlike other types of family medical leave, military caregiver leave is a one-time entitlement only; it does not renew annually. This leave entitlement does not increase the amount of leave an employee may take for other FMLA/CFRA qualifying reason during a single 12-month period. However, the employee is limited to taking a maximum of twenty-six (26) weeks during the single 12-month period. For example, an employee may combine military caregiver leave with other types of family medical leave during a single 12-month period. However, the employee is limited to taking a maximum of twenty-six (26) weeks of leave in such circumstances.

Military caregiver leave is to care for a military service member who is undergoing treatment for a serious injury or illness incurred in the line of active duty, or a veteran who is being treated for a serious injury or illness that occurred in the line of active duty during the five years preceding the date of treatment, if the employee is the spouse, domestic partner, child, parent or next of kin of the service member ("Military Caregiver Leave").

When applicable, an eligible family member may take the qualifying exigency leave up to a maximum of fifteen (15) days to match a military member's Rest and Recuperation leave orders.

31.2 An employee is eligible for leave if the employee:

1. Has been employed for at least 12 months; and
2. Has been employed for at least 1,250 hours during the 12-month period immediately preceding the commencement of the leave,

- 31.3 If an employee requests leave for any reason permitted under this policy, he/she must exhaust all accrued leaves (except sick leave) in connection with the leave. The exhaustion of accrued leave will run concurrently with the leave under this policy.

If an employee requests leave for his/her own serious health condition, in addition to exhausting accrued leave, the employee must also exhaust accrued sick leave. Workers compensation disability leave and 4850 leave will run concurrently with family leave.

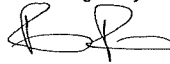

- 31.4 This section provides a benefit summary only. For further information, refer to the City's Administrative Rule on this subject.

32.0 ELIGIBILITY LIST

- 1) Effective September 6, 2018 the Eligibility List for Sergeant shall be two years and may not be extended. The eligibility list may be abolished by the Human Resources Director at any time subject to the request of the Police Chief.
