To Whom it may concern:

My name is Araseli Campos, I am writing you to disclose my interest in serving the Parks and Recreations Commission. I was born and raised in Watsonville. I have no experience serving a board but I am very interested in learning and being a part of the community. I am bilingual and have worked in this area my whole adult life. I started work at the early age of 14, back when the Career Center was available for teenagers.

I have experience in Customer Service working for the Santa Cruz Metro for 5 years now and also worked in the Admissions Department for the Watsonville Hospital for about 10 years prior to my current position. I have also worked for Monarch Service as a shelter advocate for the victims of Sexual Assault and Domestic Violence.

I would love to continue serving my community and the place I call home.

I would like to be considered for the position and I believe that with my

experience and knowledge, I can continue being an asset to this community.

Therefore I hope you accept this letter of interest in the position. I look forward

To the opportunity.

Sincerely,
Araseli Campos
